Of You"

"I'm Forever Blowing Bubbles"

I'm forever blowing bubbles,
Pretty bubbles in the air.
They fly so high; they nearly reach the sky;
But there, they slowly fade and die.
Fortune's always hiding;
I look everywhere.
I'm forever blowing bubbles,
Pretty bubbles in the air.

Bubbles . . . as they rise skyward, they reveal to our minds the physical appearance of dreams. Like dreams, bubbles are fragile and unpredictable. It is difficult to determine when they may suddenly burst or how long they may take to drift from sight. Some pass beyond our mental conceptions of the physical world.

Mindful of these ideas, the 1960 Pylon Staff has chosen for its theme, "Dreams". Is it not true that one's entire school life is engulfed in dreams? Freshmen — young, unacquainted, and perhaps a little baffled — visualize a future day when they will grace the campus as dignified Seniors. Pretty young girls dream of being chosen as Sophomore Sweetheart or the Annual Senior Sports Queen. Talented and determined athletes spend many hours after school to earn a chance to win a letter in their chosen field of sports. Some with outstanding ability gain the honor of being elected to the All Bay League Squads. Some students hope to be elected as members of the student government; while others, their sights set even higher, dream of outstanding scholastic achievements.

As you look through the pages of your Pylon, we hope that your dreams have materialized in a way that will bring you happiness and success.

Row 1: Mrs. T. W. McLaughlin, Lawndale Council President; Mrs. Ray Reese, President of 33rd District; Mrs. Dorothy Avandt, Director of Parent Education. Row 2: Dr. Howard Demeke, Superintendent of Lawndale Elementary School District; Dr. Jefferson Garner, Superintendent of Centinela Valley Union High School District; Mr. Vern J. Rice, Principal of Leuzinger High School.

Mrs. T. A. Macray, President of Leuzinger P.T.A.

P.T.A.

Leuzinger High School P.T.A. functions as one of the strongest secondary level chapters in the State of California. Its strong, yet unobtrusive, methods of operation are highly regarded by the faculty and administration. Through the co-operative efforts of the P.T.A., such activities as raising funds for sponsoring the Senior Palladium Party, securing locations for Polio Clinics, enlisting aid for needy cases, planning community drives, and numerous other projects lighten the burden of the school and the community.

Leuzinger P.T.A. Executive Board: Mrs. L. Skinner; Mrs. V. Thompson, Senior Class Representative; Mrs. H. Schlueter, Treasurer; and Mrs. M. J. Leight, First Vice President.

"Did You Ever See A Dream Walking?"

"Well, I Did."

Mr. Vern J. Rice, Principal

One wonders how it feels to be a powerful force in the lives of others and how it appears to one who has guided and encouraged young minds to achieve personal and service goals. During his years as Principal of Leuzinger High School, Mr. Rice, this year, will have sent 6291 graduates out into the world. These people have gone into all walks of life. Locally, we have dentists, engineers, educators, business men and women, and homemakers who call Leuzinger their home school.

We all feel justly proud of the place that Mr. Rice holds in the field of education. He is known all over the state in educational circles as a wise educational counselor. He is known in our community for both his educational leadership and for his dedication to community service.

We, at Leuzinger, know him best for his years of wise counsel, his dedication to education's highest goals, and his enthusiasm to make Leuzinger High School the best school in the country.

Mr. Rice, it is with utmost pride and sincere gratitude that we dedicate the 1960 Pylon to you.

"Dream Train, Please

Miss Helen Tombs, Girls' Vice-Principal

Twenty-three years ago, the Pylon was dedicated to "Miss Helen Tombs, our new Vice-Principal, in praise of her helpfulness in all school affairs and her fairness in dealing with all student problems . . . may we gain through association some of the qualities of honesty, loyalty, and justice which we see every day exemplified in her life." Can we say more?

Let us but add that her years of leadership in serving Leuzinger High School and the Centinela Valley High School District have continued to grow both richer and fuller as well as more complex. Her warmth of understanding the perplexing problems of youth, particularly those of young women, have endeared her to the hearts of all of us.

To our Girls' Vice-Principal, Miss Helen Tombs, we proudly and lovingly dedicate this 1960 edition of the Pylon.

Carry Me Back."

Through the efforts of the Centinela Valley Union High School District Board of Trustees, we, the students of Leuzinger High School, are able to enjoy the pleasant surroundings of our recently remodeled buildings and the new equipment.

We are able to enjoy the new Boys' and Girls' Quads which are located near the Main Building, the new Boys' Gym, the new shop buildings, the trees in Senior Square, and the beauty and quiet of the modernized Main Hall.

The 1960 Pylon Staff takes this opportunity, in behalf of the Students of Leuzinger High School, to thank the Board of Trustees for making our dreams of a beautiful school come true.

Congratulations to the sponsor and staff of this year's Pylon. Your devotion to this issue and all the hard work that you have done will make this year's book one that will long be read and remembered. Your hard work and devotion exemplifies the fine Leuzinger spirit that we have this year as we move into our completed plant. You have every right to be very proud of your work. We are proud of you and this Pylon. Good luck and continued success to all of you in all future undertakings.

Special Recognition

The Pylon Staff desires to express the gratitude of both the school and the community for the prominent services of Mr. Waymire, Mrs. Curtis, Miss Deppman, and Mr. Thompson. Their unassuming behind-the-scenes work deserves special recognition.

Congratulations to Mr. Howard Waymire for his skill in manipulating a master schedule to please faculty, parents, and students and for his efforts in providing information regarding college scholarships, military opportunities, and community resources.

Many thanks to Mrs. Flora Curtis for her constant devotion to the interests of special education classes, the student body, the faculty, and the community. Her altruism serves as an example for citizenship at Leuzinger High School.

A big vote of thanks to Miss Ida Deppman, not only from the Class of 1960 but also from its many predecessors, for her meticulous methods of grooming young women in the art of homemaking and for her patient care in measuring each class of Seniors for its Caps and Gowns

A hearty hand clasp to Mr. George Thompson for his many years of outstanding work in guiding the young men at Leuzinger. In the versatile roles of former athletic director, engineer, industrial arts' teacher, and golf club sponsor, Mr. Thompson is acknowledged as a huge success.

First Semester Senior Class Cabinet

The close of the first semester brought success to both the Senior Class President, William Kamikawa, and his Cabinet. Their first order of business was to buy patio furniture with the money donated by the Classes of 1957, 1958, and 1959. The next activity for them was the Sports' Queen Parade in which they sponsored Marilyn Oddy. The Magazine Drive (for the purpose of raising funds for the Palladium Party which is held at the end of the school year) turned out to be a success. Each member of the class sold magazines, and the profits were added to the class treasury. The Cabinet began plans for the Senior Prom and decided upon the location, the price of tickets, the orchestra, and the dinner menu. Other activities included the selling of tickets to the Senior Play, "Imaginary Invalid", and sponsoring several after-game dances. The last work of the Cabinet was the selection of the 1960 Graduation Announcements to be submitted to a vote of the Senior Class.

Second Semester Senior Cabinet

The Second Semester Senior Cabinet, under the leadership of Roger Riley, completed the plans for the Senior Prom held on February 20, 1960, at the Thunderbird Hotel in El Segundo. Bids were eleven dollars per couple which entitled them to a full course roast chicken dinner plus an evening of dancing to the music of Doug Gilmore and The Rhythms. The theme of this gala affair was Moonlight and Stardust." The final responsibilities for the Graduation Announcements were also handled by the Second Semester Cabinet. Selection and ordering of announcements were completed, and deliveries were made late in May. The annual Pancake Breakfast was held on Saturday, March 26. It turned out to be a big affair, and the money earned was turned over to the Class Treasury. Senior Ditch Day at Catalina Island was one of the highlights of the year; the Seniors spent the day boating, swimming, bicycling, and eating. In June, immediately following graduation ceremonies, the Seniors departed for the Hollywood Palladium for their fun-filled All-Night Graduation Party.

Dear Seniors,

Your final year at Leuzinger will soon be behind you. Your senior year, I am sure, will be remembered as the most important year of your four years with us. It has been a joy to watch you grow physically, academically, and socially, since you entered Leuzinger.

Congratulations to each of you! May your years here at Leuzinger have taught you determination, willingness to work, and thoughtfulness.

Sincerely,

Naurine Bennett

Dear Seniors,

It has been my privilege to have been one of your counselors for the past year. You have been a helpful and cooperative class. As school officers and committee workers, you have been competent and satisfactory. We are confident that success will be yours, and that you will take your place among the best of those that have preceded you.

Sincerely,

James W. Kelly

Juniors

"Daydreams"

Seated from left to right are: Catalina Garcia, Treasurer; Rosemary Stoner, Girls' League Representative; Ventura Felix, Vice President; Lee Marble, President; Bill Bustead, Boys' League Representative, Olivia Esqueda, Historian, and Carol Farnaus, Secretary. Standing Mr. Richard Grether, Junior Class Sponsor.

The First Semester Cabinet began its work of the year by sponsoring Judy Roggy as Junior Class Sports Queen Candidate. The theme of Judy's float was "The Flower Drum Song."

The next order of business was the selection of the class colors, ice blue and white. The Cabinet chose Saturday, April 23, as the date for the Junior Prom.

Of the twelve choices submitted for a class ring, the Cabinet selected three to be voted on by the Junior Class.

From suggestions offered by the Juniors, "Imperials" was voted as the name for the Class of 1961.

Junior Class Cabinets

For their first order of business, the Second Semester Cabinet selected five emblems from all those entered in the contest for designs for their Senior Sweaters and Jackets. The five emblems were presented to the Junior Class to be voted upon. Shirley Robertson's design proved to be the class choice, and she received a free Senior Sweater for her efforts. The Senior Sweaters and Jackets were ordered March 8 and 9. They will be distributed in the latter part of the summer.

The designing and ordering of the Junior Prom tickets was another responsibility of the Cabinet.

The Senior Rings which were ordered in the First Semester were distributed by the Second Semester Cabinet on March 29.

"Twilight Cotillion" was selected from the many offerings as the Theme for the Junior Prom. The decorations for the prom were designed and made by the Cabinet. Both the First and Second Semester Cabinets shared in the pleasant work of decorating the school cafeteria for the "big event."

Seated from left to right are: Sande O'Neill, Historian; Judy Hendricks, Girls' League Representative; Cathy Swoboda, Treasurer; Jeff Davison, President; Lee Marble, Vice President; Carol Farnaus, Secretary; Rick Abshier, Boys' League Representative. Shown standing is Shirley Robertson, winner of the best drawn Senior Class Sweater Emblem.

Sophomore Class Cabinets

First Semester

The First Semester Sophomore Class Cabinet planned the Annual Sophomore Sweetheart Dance. The theme for this annual event was that of St. Valentine's Day, with the traditional colors of red and white prevailing. Offering helpful advice to the Cabinet were the Sponsors, Mrs. Bryson, Mr. Saunders, Mrs. Nelson, Mrs. Hinz, and Mr. Breckheimer.

ROW ONE: Pat Lore, Juanita Wilson, Roseann Winn. ROW TWO: Tony Adams, Dick Jones, Chuck Clark.

ROW ONE: Roseann Winn, Joyce Pease. ROW TWO: Harris Stoner, Marilyn Ripley, Dick Hansen.

Second Semester

Among the duties of the Second Semester Cabinet was the important task of decorating for the Senior Commencement Exercises. They were responsible for acquiring the materials that were used to construct the ivy-covered trellises and archways. In addition, they arranged the huge baskets of flowers. The Second Semester Cabinet takes great pride in this most enjoyable project.

Sweethearts On Parade

The entertainment which was presented at the Sophomore Sweetheart Dance for the class of 1962 seems to have captured the attention of queen Roseann Winn, her princesses, and their escorts.

The six beautiful girls who anxiously awaited the announcement of the 1960 Sophomore Sweetheart were very relieved when Class President, Harris Stoner, announced that the winner was Roseann Winn.

Roseann was wearing a beautiful, white, floor-length formal. She was escorted to the dance by Curt Bradbrook, who was graduated from Leuzinger in 1958.

The other couples were Lydia Lucero and Mike Garcia, Carlene Johnson and George Lymon, Mary Poer and Gary Creek, Eileen Chapin and Ron Wilson, and Pat McKevitt and Johnny Reynolds.

The couples danced under the red and white streamers intermingled with large groups of balloons around the room. The background was a large white heart with '62 in red numerals.

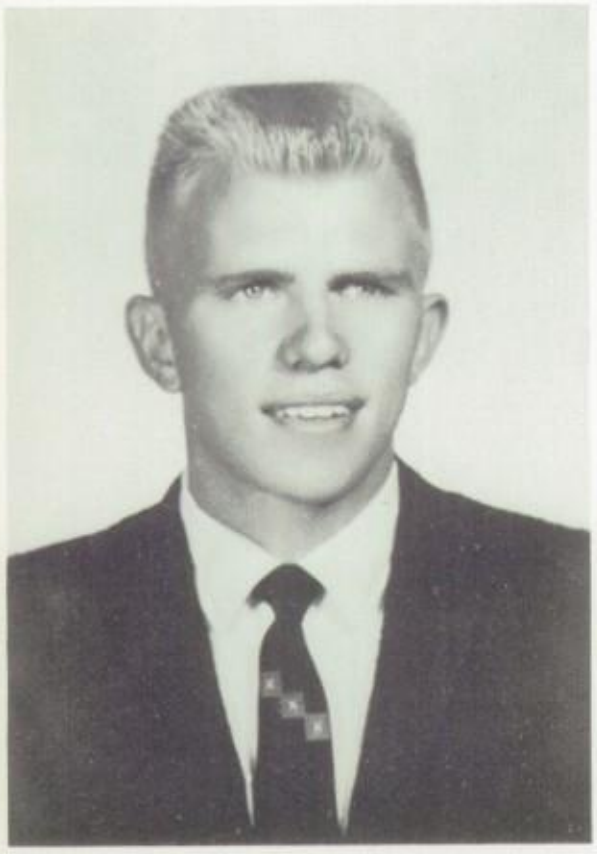
Dreamland"

First Semester Student Body Officers



Roger Riley
First Semester President

With a big job ahead of them, the Cabinet Members for the First Semester began to plan the many activities of the Senate for the 1959-60 term. Probably the biggest and most important was that of the Annual Sports Queen Parade.

The many other projects that the Senate organized were the Coronation Ball held in honor of the Sports Queen and her Court, a Record Hop for the benefit of the A.F.S., the Christmas Assembly, and a Drive for the purpose of gathering Christmas Bulbs which were donated to the Children's Ward at Harbor General Hospital.

Always working for the betterment of L. H. S., this group of leaders is commended for a job well done!

First Semester Senate And House

The Student Government of Leuzinger High School, like that of many other high schools throughout the United States, is patterned after our Federal Government. The Senate is composed of leaders from each school organization, while the House consists of representatives elected in third period classes.

Each day, during second period, the Senate and House meet to discuss problems and ideas submitted by the Student Body. The Senate Advisers are Mrs. Lillian Shambeck and Mr. John Machisic, and the House Advisers are Miss Marie Boryan and Mr. Howard Deputy.

During First Semester, the Senate sponsored the Annual Sports Queen Parade, the Coronation Ball, and the Christmas Play. Senate members attend forums and youth meetings throughout the school year.

The House particularly emphasizes money-raising projects. The initial one during the school year is the Big Four Drive which is a plan to raise funds to donate to four different community charities. In addition, there are food and clothing drives, the filling of Christmas Stockings, and the Penny-a-day Drive which helps toward raising money for the American Field Service. The House also sponsors after-school and after-game dances. Representatives of the House present oral reports of school activities in their third period classes each day.

Second Semester Student Body Officers

Joel Moore
President

Under the enthusiastic leadership of Joel Moore, the Second Semester Cabinet had a successful team.

Working along with the Senate and House, the group planned several important activities. Among these were the regular Sports Nights, Outdoor Spring Assemblies, and money raising projects for the American Field Service.

Toward the close of the year, they began plans for the traditional Awards Assembly. At this time, the Seniors receive the long awaited news of individual recognition.

The Cabinet worked intently preparing an interesting Activity Program for the students of Leuzinger High School.

Second Semester Senate And House

The Second Semester House and Senate, under the leadership of Bob Walker and Joel Moore, respectively, experienced a very active session.

Like the First Semester Senate and House, the Second Semester group meets every day during second period. They take over the incomplete business of the First Semester group and start new pursuits of their own.

One of the most important ventures of both the House and the Senate was that of revising the School Constitution. Another was the circulating of the "Petition of Teen-agers Fight Against Narcotics." For the first time, the Senate and House were able to raise money for the A.F.S. Program by sponsoring a weekly Sports Night, the Backward Dance, and a few A.F.S. sales.

The Senate has specific committees which are responsible for different projects around the school campus. One of these groups, the Booster Committee, had booster buttons made for the Inglewood Relays. Another committee had the student parking lot speed limit raised from five to ten miles per hour.

At the end of the school year, both Senate and House present the Annual Assembly for the Student Body. At the conclusion of this outdoor assembly, it is traditional for the Juniors to take over the Senior Section of the bleacher seats, since this is the Final Assembly for the Senior Class.

Record Breaking Santas

This year, Mrs. Palmer's third period class which consists of twenty-six boys and six girls, broke all previous records and attempted to establish an all-time high in the filling of Christmas Stockings at Leuzinger High School. This class filled four hundred stockings which represented 1,250 per cent. Their stockings were placed into a huge Christmas Card Pinata. They captured first prize of ten dollars, and they used this money to purchase two turkeys to accompany the stockings for the children at Los Angeles County Juvenile Hall. The committee members were: Dennis Murphy, Al Pace, Ron Swanson, Sonny Speed, Pedro Perez, Dennis Ross, Don Ramsey, Clark Franke, and Victor Gangitano. Other class members included: Eugene Blankenship, Bob Canipe, Gordon Cure, Bill Darnell, Bill Farmer, Larry Flores, Gary Gard, Jim Gibson, Frank Greenham, Larry Knauss, Gerald Magel, Arthur Modica, Richard Ortiz, Gerald Schuler, Printice Toler, Bob Washkow, Barry Montgomery, Shirley Alexander, Judy Barnes, Beverly Cagle, Lucy Garcia, Shirley Graber, Betty Henson.

Leuzinger Shows Christmas Spirit

During the Christmas Season, the members of Leuzinger's Senate entertained the students and faculty with a Christmas Assembly. This is an annual affair of the Senate to wind up the Christmas Stocking Drive. The scene for this year's program took place in the toy section of a large department store.

Bob Walker, a member of the Senior Class, acted the part of the department store Santa Claus, while Mr. Loren Barton enacted the true Santa, and Mrs. Berniece Lawson was Mrs. Claus.

Near the end of the assembly, the filled Christmas Stockings were presented to several officers from Los Angeles County Juvenile Hall who accepted in behalf of the children. At the conclusion of the program, everyone joined together in the singing of Christmas Carols.

Olympians In Motion

Mr. Machisic, Co-Sponsor of Senate, instructs committees that "Procrastination is the thief of time."

Student Body Vice-President, Jeff Davison, addresses the Senate in an effort to urge all Olympians to vote.

Olympian track star, Jim Valmore, accepts the Pep Club's Trophy presented by President Marilyn Oddy, as Student Body President, Joel Moore, prepares to congratulate Jim.

"Here, let me straighten your tie," comments Margarita Lopez to Joel Moore, as they prepare to mix business with pleasure.

Lee Marble and Rosemary Stoner accepted the Senate's invitation to represent Leuzinger at Hawthorne High's Christmas Dance.

The theme of the 1959-60 Talent Show was "The King's Court." Pictured are Court Jester, Danny Frieberg; King, Roger Riley; Award Winners: James Ross, Janet Gervais, Beth Adams, and Diane Graham, in order of finish. Their prizes were a portable transistor radio, a portable record player, a Sheaffer pen and pencil set, and a ten-dollar gift certificate, respectively.

Is this another "Clean-up Campaign" or just one of a few rainy days?

Clark Franke
Control Chief

The Control Force is one of Leuzinger's most active organizations. This group meets several times a month to discuss possible solutions to school problems. Each member has the responsibility of issuing summonses to pupils who violate the rules of the school.

Control Force And Election Board

It is the duty of the Election Board to see that all student body registrations and elections are conducted in an honest and efficient manner. The board spends many hours in distributing, collecting, and totaling ballots. Results of each election are announced to the students during third period classes by the Representatives of the House.

The Student Court meets at least once a week, or more often, if an occasion requires. Its members are from both the House of Representatives and the Senate.

Good Will Ambassadors Of

The weather was very cold when I left Iceland for an airplane flight which would take me to Lawndale, California. I had a rough fifteen hours' flight with much airsickness. When I arrived in New York City, the weather was beautiful. It was very different from what it had been in my country.

The Foreign Exchange Students from Iceland had a wonderful day in New York. We were taken to many places of interest. Everywhere that we went, we met many people. Since it was on Labor Day, there were crowds at every place. We were taken to the top of the Empire State Building where we viewed the great city below. Later, we walked down those main streets.

It is hard to explain my first impression, but the first thing that I noticed was how big and how speedy New York seemed to be. When the students separated in New York, I had the farthest to go. I flew over the United States and had a good opportunity to see the difference in the terrain. I really enjoyed it and had a good time.

I have had a wonderful time since I came to Leuzinger High School, and I have really enjoyed it. Leuzinger is different from the school which I attended in Iceland, but I think it is a wonderful school, and I have learned a lot. Both the teachers and the kids have been very friendly and helpful. I want to thank all of you for everything that you have done for me.

Benny Olafsdottir

Benny Olafsdottir

I want to write on these lines of the PYLON a few words to thank all of you for the wonderful year that I have had at Leuzinger. To the Faculty and to the Student Body, I want to say that I have never before met such a friendly and helpful group of people. In just a few days, you made me feel that I was neither a stranger nor a guest, but a real Leuzinger High School student. I have learned from you very much about the United States and its people. This has been a most remarkable year in my life. And now, I return to my country, Brazil, leaving here my North American family and many good friends. I am hoping that I shall see all of you very soon.

Blue and White, be sure that I will always be a true Olympian.

Sincerely yours,
Roberto "Bob" Feitosa

World Confer In Dreamland

My trip started on May 30, 1959 — that was the day the M.S. Hikawa sailed for Japan. During the two weeks on board, thirty-two American Exchange Students to Japan studied the foreign tongue and even learned to read and write the simplest form of Japanese writing, Hiragana.

When I first arrived in Japan, I didn't think it was too much different from the United States, but later, I discovered that it was. We spent the first few days in Tokyo, Japan. After we had rested, we took a trip to Nikko, one of Japan's most beautiful parks. Subsequently, we met our respective families and said goodbye to our traveling companions.

On June 19, I met my family. Besides my foster parents, I had three brothers and two sisters. Only my father and sister could speak English, but that was never much of a handicap. My family was really terrific; everyone was so kind and wanted to show me everything. Several times, they took me on trips to see some of the nearby sights and also to the more distant places of interest in the area. What I really liked about my family was that they seemed to be very humble and wanted to do everything possible in order to make me happy.

The house of my foster parents was typical Japanese. One had to take his shoes off before entering, and the house had only a few pieces of western styled furniture.

After spending seven weeks with my family, you cannot imagine how hard it was to say goodbye.

After I left my family, all the Exchange Students went on a two weeks' tour around the northern part of Japan, so that we who had lived in the South could see the North.

On August 27, 1959, we left Japan, and when I think about it now, it all seems like a dream.

Joel Tessieri

The Pylon Staff wishes to express the deep gratitude of all Leuzinger's Foreign Exchange Students. Thanks to all the people of our community and to all those affiliated with the American Field Service in communities throughout the world.

First Semester Girls' League

Girls' League planned many activities throughout the entire school year. First semester's activities began with the Watermelon Feast held one week prior to the opening of school in September. All the new and all Freshmen girls were invited to the social and orientation program.

During the month of December, there was constant preparation for the first formal dance of the year, the Snow Ball. This is sponsored by both Girls' and Boys' Leagues.

Several assemblies were also planned during the first semester. The Installation Assembly was the first of these, and it was followed by two assemblies which proved interesting and educational. The last assembly for the First Semester Cabinet was the Campaign Assembly which was followed by the election of new officers. Mr. Pecaroviche, the humorist from Long Beach State appeared for the second assembly. He spoke on boy-girl relations.

The third assembly spotlighted Bolma's Modeling School. One of the models spoke for the assembly, and at its close, a course in modeling valued at $150.00 was presented to Carole Wesoloski, a Junior Girl.

The Father and Daughter Banquet marked the first main event during second semester. This banquet is sponsored for all girls and their fathers. It is a chance for fathers and daughters to spend a delightful evening together.

In April, the girls escorted the boys to the Cotton Ball, an event which called for matched cotton attire. The best matched couple was crowned King and Queen Cotton.

The Second Semester Cabinet presented four assemblies this year. The first assembly was the installation of the new officers of Girls' League. Previously graduated girls of Leuzinger participated in an assembly in which they told about their various careers. Miss Jan Murdock spoke to the Olympian girls later in the year on the subject of grooming. Last, but not least, was the Campaign Assembly at the end of the school year.

Varsity Places

During July 12 through 17, 1959, the Varsity Cheerleaders attended the Cheerleader Clinic held at the University of Redlands. The Clinic was comprised of students from high schools and junior colleges throughout California as well as the states of Nevada, Arizona, New Mexico, and Utah.

Classes were held each morning from 8:00-12:00 A.M. During the afternoon, the student squads practiced routines, attended lectures, went swimming, and relaxed. Lawrence Herkimer, the Director of the Clinic, planned enjoyable activities each night for the enthusiastic group. There were a dance, a night swim, and a Steak Fry.

Leuzinger placed in daily competition and ranked second in the final contest.

Our Cheerleaders felt that this was a most valuable experience. Each stated that upon leaving the University she had gained additional knowledge and had acquired new and important friendships.

Marching at the football games and cheering our teams to victory are the functions performed by Leuzinger's Drill Team.

Martha Henderson, in her third year of this work, was selected as Drill Team Leader and has done an outstanding job with the girls.

This year, the Drill Team participated in two parades; one was the Hawthorne Band Revue in which they received a Second Place Award in Class A Schools; the other parade was the Huntington Beach Santa Claus Band Revue held at Huntington Beach.

The Drill Team has sponsored a few after-game dances and sales in order to raise money for their treasury. They have an annual Mother-Daughter Banquet at the close of the year. At this banquet, the new members exchange places with the departing Seniors. The names of the officers for the next year are also revealed at this time.

Bee Cheer Leaders And Pep Club

Head Bee Cheer Leader Mary Luzinski (center), with Pam Spohr (left), and Janet Caparella (right).

The Bee Cheer Leaders work very hard in order to perfect their routines. They lead yells at the Junior Varsity and Bee games throughout the year. When you see Head Cheer Leader Mary Luzinski together with Pam Spohr and Janet Caparella, you can be sure they're practicing for the next game. Bee experience leads to varsity cheer leading.

Pep Club is one of the most enthusiastic clubs on Lu-Lu Tech's campus. Its energetic members attempt to spread school spirit throughout the Student Body. They accomplish this by having pep rallies which are held before each sport event that occurs during the year. They sponsor the "Howdy-Hop," the first dance of the year, and they conduct megaphone and rooter cap sales. Each member receives a Pep Booster Button with his membership card.

First Semester President Diane Azoon and Second Semester President Marilyn Oddy are featured with members of Pep Club.

Delphians And Squires

Squires is a service club composed of qualified Freshman and Sophomore boys. Their object is to promote good fellowship and community spirit on campus. This year, they served as guides at Open House and Back to School Night, and they ushered at the Annual Christmas Programs. They also held a candied apple sale in December to raise money for needy families. The "Squires Dance" and a Saturday field trip proved to be highly successful. Drama And Dance

The Thespian Club membership is based upon a point system dealing with participation in dramatic activities. The members are usually more interested in a dramatic career than are the members of Masquers. Thespians represent a branch of Masquers in which more talent is exercised.

The Corps de Ballet is a group of students interested in dancing. This group provides entertainment for both the school and the United Service Organization. They also dance for the Senior Plays.

Thomas DeFois, Mel Carter.

"The Imaginary Invalid", a three act play, was first produced at the Palais — Royale in Paris in 1673. It was Moliere's last play. The play tells how the medical profession is invaded by official charlatanism, superstition, fear, and formalism. A fear of illness and death has made a comic figure of Monsieur Argan. A treacherous wife, a charming daughter, and the young lover, Cleante, furnish a basic plot of farce.

The play was presented at a matinee on November 19, 1959, and at the evening performance on November 21. The entire production was staged and supervised by Mr. Julien Hughes. Mr. Sam Barr was the resident Stage Manager, while Mr. Jim Kelly of the Art Department painted the impressive background settinas.

Second Semester Senior Class Play

Sharon Springer, Ron McCrea, Jennifer Ross, LeRoy Manley, Jeanette Albin, Jean Hurst, Mel Carter.

Ron McCrea as Peter Van Dann and Jennifer Ross as Anne Frank.

LeRoy Manley as Mr. Frank.

The **Diary of Anne Frank** was presented by the Senior Drama Class at a matinee performance on March 31 and at two evening performances on April 1 and 2 in the Rice Auditorium. This particular play was selected by Seniors because of its excellent acceptance by the critics. The story was awarded the American Pulitzer Prize.

The play was presented in two acts, each of which contained five scenes. The production was directed by Mr. Julien Hughes, Drama Instructor, and Student Directors, Jeanette Albin and Ken May. The authentic settings and lighting effects were arranged by the Stage Crew under the supervision of Mr. Sam Barr.

The story is about a Jewish girl and her family who were forced to go into hiding from the Nazis during World War II. Their place of refuge was in the attic of Mr. Frank's place of business. While in hiding, Anne, the daughter, recorded in her diary an account of daily happenings of life at that time. The Van Danns and Mr. Dussel, friends who reside with the Franks, provide hilarious situations.

One of these was a trip to the Los Angeles County Museum of Science and Industry to observe the Eclipse of the Moon on March 12.

This year, Semper Scientia sponsored two pen sales, a cake sale, and an after-school dance to raise funds for their treasury.

Life With A Test Tube

The purposes of this organization are to promote interest in chemistry and physics and to perform chemical experiments in the lab after school. During the Formulators' Lab Program which is held every Thursday afternoon, the members arrange chemical displays which are presented at Open House and for the regular chemistry and biology classes. This club is also an active member of the Los Angeles County Science Clubs, a group which meets every month at the County Museum at Exposition Park. Scholarship Society meets once each quarter. The sponsors arrange excursions for the members to visit colleges and places of educational interest; they assist members in making applications for available scholarships, and they supervise the planning of the group to honor outstanding students. Profits earned from operating the school pop-corn machine are applied toward scholarships.

The activities conducted by this group included the sponsoring of Barbara Pletcher in the Sports Queen Parade. First Semester Scholarship Society had an excursion to U.C.L.A., and the Second Semester group visited Mt. Wilson Observatory. The Annual Scholarship Society Banquet for Life Members was held on May 16 in the Leuzinger Cafeteria. The students were the guests of Morningside High School at their Sports Night held on March 26.

First and Second Semester Presidents were Dick Curtis and Sharon Williams, respectively. One of the outstanding members of this year's group was Marilynn Zarwell. She competed in the Finals of the National Merit Scholarships. Marilynn was also signally honored as the recipient of the North American Aviation Company's five-year Scholarship to the University of Southern California.

Dr. Norman Arnt, one of the co-sponsors of Scholarship Society, contributes honor to Leuzinger High School by serving as President of the California Federation of Scholarship Societies.

The main purpose of the Spanish Club, formed under the name of "Los Olimpianos", is to stimulate interest in the language and customs of Spanish countries.

The Spanish Club business meetings are conducted in English. The members play games in which they speak the Spanish tongue. At times, certain members participate in skits which are presented for the other students in the group.

Occasionally, people who have lived or visited in Spanish-speaking countries lecture to the students, show slides of these countries, and conduct panel discussions.

During the Christmas Season, "Los Olimpianos" held a very successful Pinata Party.

In the Sports Queen Parade, the Spanish Club won the sweepstakes prize of ten dollars for entering the best float, whose theme was **Bell, Book**, and **Candle.**

Spanish Club And Future Teachers

The Leuzinger Chapter of Future Teachers of America guides club members into a variety of activities which will give them a sample of duties performed in the teaching profession.

These students take an active part in the "Teachers' Assistants Program". This program enables the students to work with teachers and to provide them with the opportunity of conducting actual classroom teaching.

During the year, the club sponsors arrange an excursion to visit the School of Education at one of the neighboring colleges or universities such as Long Beach State, University of Southern California, or the University of California at Los Angeles. This gives the students further insight into the field of teaching.

French Club

The French Club of Leuzinger was organized in 1959. The sponsor of the club is Mrs. Connie LoPresti who teaches French and Latin. Membership in the organization is based on the language prerequisite of a student's enrollment in French. This is further enriched through investigation of French customs.

The club has proven quite successful. During the second semester, the members had a field trip to the University of Southern California where they visited the Foreign Language Laboratory. Following this tour, the club dined at a French Restaurant where they enjoyed the excellent cuisine.

As things returned to normalcy, the PTA Mothers launched a full scale program of planning the Senior Palladium Party, the all night Grad Party which immediately follows Commencement. Ladies, we thank you.

The Dads' Club of Leuzinger High School is an organization open to all dads. The purpose of this club is to help and to reward the students of Leuzinger.

Meetings are held once a month in the Leuzinger Cafeteria. At these meetings, they discuss feasible plans to aid the Student Body, to recognize individual and group accomplishments, and to co-operate with the Faculty for a continuous program of developing a better school. Some of their activities included the Dads' Club Banquet held on November 19, 1959, a Teen-age Mobile Economy Run, furnishing supervision for the athletic events, school dances, the Palladium Party, and helping any campus club that needs financial aid.

This year, the club presented the school with a Spelling Placque on which the names of all previous spelling champions are engraved. In addition to this, the club presented numerous personal awards to outstanding athletes and to students who achieved individual recognition for their efforts. The club also presented the Dads' Club Scholarship to a worthy senior at the Awards Assembly.

Strategy Meeting—OLYMPIAN adviser, Mr. Walter H. Kaplan, and editors, Richard Logan and Jim Peterson, gather around the typewriter in preparation of another edition.

Olympian Nameplate Contest Winner

Sharon Williams, seventeen-year-old junior, took top honors in this year's OLYMPIAN nameplate contest. Designing the nameplate in "about two hours", the artist hopes to continue a career in designing. The contest, open to all members of the Art 2 class, is an annual affair.

Olympian Lists

For the first time in the history of Leuzinger High, a six-page OLYMPIAN was published by the staff. The first issue was ready only two weeks after school started under the leadership of Jim Peterson, First Semester Editor-in-Chief. Although the staff flourished with over twenty-five members, only five reporters had previous staff experience. This year, the Journalism I students were also considered a part of the staff. Despite the majority of inexperienced reporters and editors, deadlines were met.

Sports received better coverage than previously, as was evidenced by the two-page spread of editors, Richard Logan and Joel Moore, who also managed to cover the minor sports.

Advertising was one of the biggest accomplishments of the first semester. The OLYMPIAN took on a full-scale advertising program which helped the publication of the six-page edition.

The editorial board for the first semester consisted of Neoma Bradberry and Elaine Hall, whose responsibility it was to plan the front page. Kathy Gordon and Elaine Edmondson were the editors of page two. Penny White, Sharon McCann, and Linda Martin shared the feature pages. Richard Logan and Joel Moore headed the sports staff. Dianna Horn was in charge of the advertising program. Copyreading was under the leadership of Pat Gabaldon, Linda Scholtes, and Sandra Hansen.

Six Page Paper As Biggest Accomplishment

The Second Semester OLYMPIAN Staff followed the stiff pace set by the First Semester Staff under the leadership of Editor, Richard Logan.

Incorporating added features in its coverage, the staff attempted to add more quality to the weekly edition. Included in the additional features was a Personality Corner, spotlighting individuals in all four classes, and a focus on different educational and special departments on the vast campus.

Outside activities during second semester included trips to El Camino College and the University of Southern California, plus a "Day in the Navy" tour which editors Richard Logan and Jim Peterson attended.

While at El Camino, three Olympian journalists captured writing awards. In sports, Jim Peterson and Richard Logan took second and third, respectively, while Senior Sharon McCann followed with an honorable mention in the news division. Over eighteen schools and three hundred students attended the conference at El Camino College.

Dreams Of Pylon Staff Become Realities

The Pylon Staff works busily to avoid the pressures and pitfalls of possible late deadlines.

Pylon Staff 1959-60

Yearbook Planning and Production

I like this! I like that! No, I have a better idea! So goes one of the biggest "headaches" of the PYLON Staff, the selection of a theme. In order to be both workable and interesting, a theme should be timely, appropriate to the community, appealing to its readers and easy to portray and to photograph.

This year, the production of the PYLON was set up as a regular sixth period class in which graduation units could be obtained, but substitution for English credit was not permitted. However, a second year of credit was granted to those who had had previous experience. The Staff, under the guidance of Mrs. Emmaline Palmer, Adviser, and Robert Shafer, Editor, sought to present to the Student Body a book of thoughtful and thorough coverage. This was prompted by the completion of the building program, the photographing of the school decade picture, the retirement of the principal, and the expansion of the school curricula. As a result of these things, the Staff created a new division in the 1960 PYLON, the Special Features Division.

Through personalizing the Senior Section, adding more pictures, writing more complete accounts of school life, and attempting treatment of an abstract theme in terms of reality, the PYLON Staff has tried to please as many of you as possible. The Staff has worked diligently on its class work and home work theme, "Dreams of Youth," for the Student Body and for Leuzinger High School, "Keeper of Dreams." May the best dreams come true!

1960 Pylon Staff Awards

The six members of Pylon Staff whose pictures appear at the left have been voted by their classmates and sponsor as the most outstanding students in the production of the 1960 yearbook. In spite of losing Clyde Walsh (Associate Editor), Beverly Hughes and Carolyn Pierson (Co-Business Managers), Mid-Term Graduates, as well as Bob Shafer (Editor), who decided to attend school on the '4-4 plan" during the second quarter of the second semester, the six aforementioned students completed the work with confidence and determination. They met every deadline without the necessity of class hours on weekends or school holidays. For this, they were recognized with gold charms, the 1960 Pylon Awards.

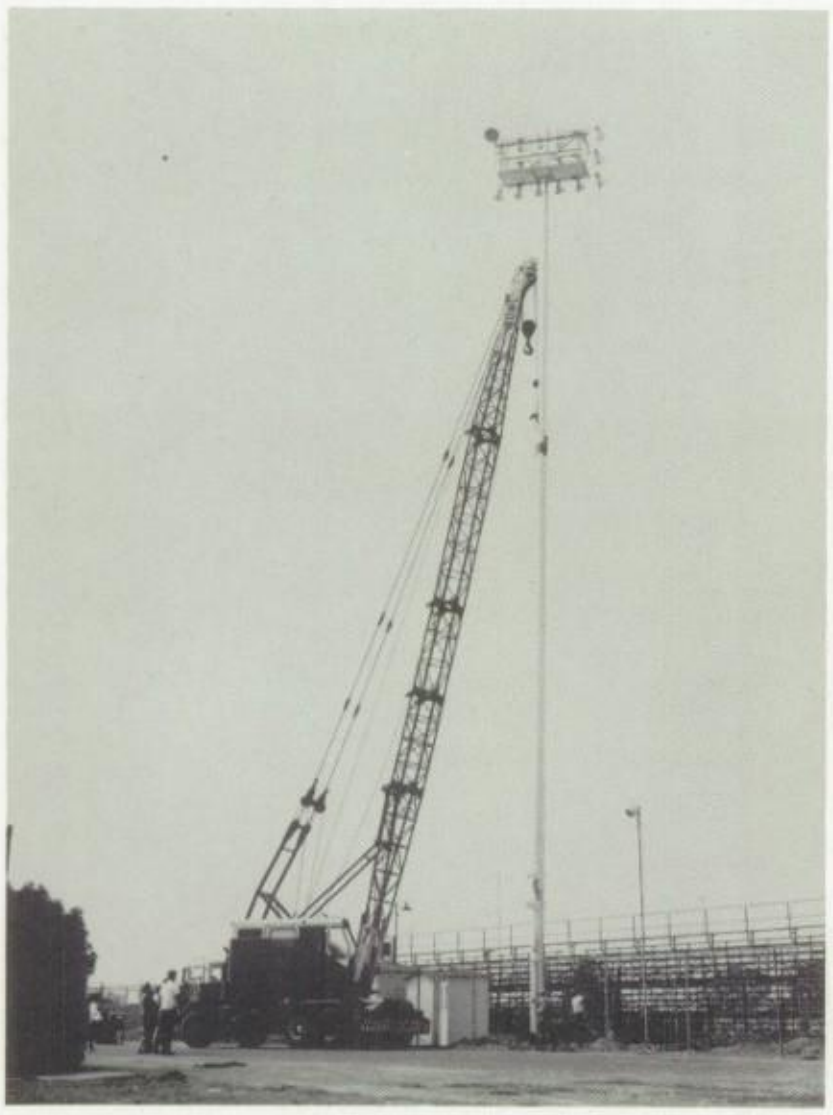
Tom Case, stout Olympian quarterback, takes a Morningside punt early in the first half. Leuzinger went on to win their first contest of the '59 season in a 21-6 thriller.



Leuzinger's famous lighting system is shown in the process of being completed. These are the same lights that gained fame during the Lennox-Leuzinger clash, when they discontinued a fearful Olympian drive during the fourth quarter.

Leuzinger opened the 1959 season expecting a possible league championship and favorable showings in all their contests.

They inaugurated the campaign full of vigor, as they fought a highly spirited group of Lennox Lancers on the Olympian gridiron.

As the game progressed, the varsity found their egos dampened, and in the midst of a darkened 13-6 "no contest", they suffered a setback at the hands of the Lancers' quarterback tiger.

In the weeks that followed, the Olympians met close defeats with Millikan, 6-12, Mira Costa, 0-6, rival Hawthorne, 13-32, North Torrance, 13-20, Inglewood, 6-14, and Santa Monica, 7-28, before they ground out their first seasonal win against the Morningside Monarchs, 21-6. This encounter marked the resurgence of Leuzinger's All-Bay League Halfback, James Valmore, who roamed the gridiron for a total of 184 yards rushing. In the last game of the season, the big Blue and White lost to a strong Redondo Squad, 0-12.

The season was capped when the coaches of the Bay League joined in force to tabulate their all-league "Dream Team".

Leading the selection with a unanimous vote was Valmore, who later was named as the Centinela Valley's "Player of the Year" by the Inglewood DAILY NEWS.

Larry Knauss, defensive wizard, and Bill Crawford, huge tackle, rounded out the selections by nabbing honorable mention on the Bay League Charts.

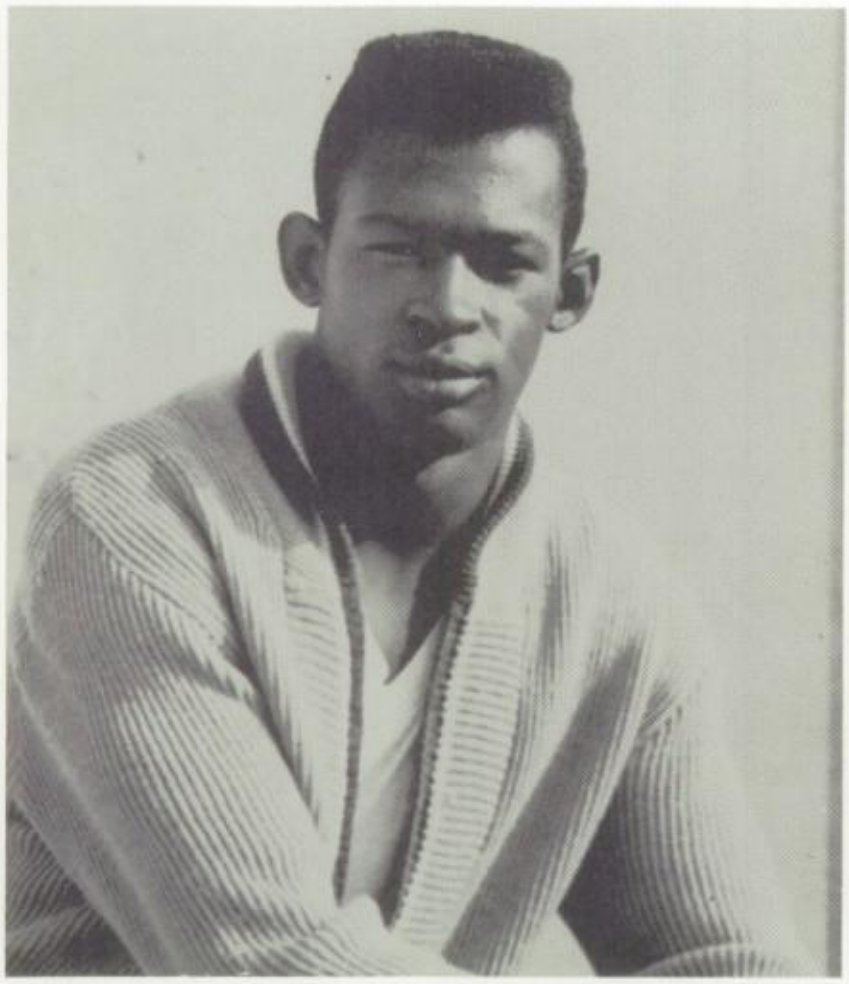
James Valmone, Leuzinger's All-Bay League and All-Centinela Valley "Player of the Year", is shown on the way to a 74-yard touchdown run against North Torrance. Valmore used his tremendous speed and power to break away from this would-be tackler.

An amused referee is shown taking a "free-loader" off the North High Field during that memorable contest. Leuzinger dropped that encounter, 13-20.



James Valmore, All-CIF

James Valmore, rated by sports' experts as one of the best all-around athletes in Southern California, received warranted recognition from his critics last December 27, when he was awarded the Third String All-CIF Backfield position.

Evident of his ability, Valmore treaded the gridiron for more than 1,057-yards rushing and crossed the goal-line for six touchdowns and 42 points.

An exceptional athlete in track, baseball, and basketball, the Leuzinger Whiz also capitalized on the unanimous All-Bay League Halfback spot. He was named as the Centinela Valley's "Player of the Year" and received National Prep All-American Honorable Mention Award.

Statistic wise, Valmore had his greatest high school game on November 13 against the nimble Morningside Monarchs. In that game, the speedster picked-up 185-yards rushing and two well-deserved touchdowns.

Valmore's tremendous ability isn't a hidden secret; at post-season time, he had received offers from USC, UCLA, Washington State, and numerous minor colleges.

Leuzinger's Top '59 Gridiron Kings

In recognition of their tremendous ability and achievement, Bay League Coaches and local newspaper critics came to the aid of three Leuzinger football athletes with several post-season awards.

James Valmore, mentioned above, took number one spot on the Olympian Honor Roll with All-CIF, Bay League, and Centinela Valley recognition.

Bill Crawford, huge 210-pound, 6-foot 3-inch tackle, used his extensive power and ability to notch an honorable mention spot on the Bay League charts and glided to the second-team honor on the Inglewood DAILY NEWS All-Centinela Valley squad.

Crawford, a three-year letter winner, was rewarded for his talents with scholarship bids from many of the major colleges in California, including UCLA and USC.

Little Larry Knauss, a 136-pound halfback, earned recognition with his defensive talents.

Larry was awarded a position on the Bay League Honorable Mention backfield. Knauss reached the height in his high school career against the Morningside Monarchs when he made 18 unassisted tackles.

Other outstanding Olympian gridsters were Leuzinger's two captains, quarterback Roger Riley and guard Russ Koons.

Riley, an exceptional student scholastically, combined his knowledge of offensive strategy with the defensive mind of Koons to decide the major questions of battle that took place on the gridiron.

Bees, Cees, Face Season Of Inexperience

Sharing only one victory between them, the Bee and Cee football squads faced a season of inexperience.

Coach Bob Sorenson's Bee team battled nine opponents, posting their lone victory against the Lennox Lancers in their season opener. Outstanding participants on the Bees were captains Bill Bumstead and Bob Walker, Bob Harvell, Charles London, Bob Archibald, Rudy Anderson, and others whose assistance will be needed in rebuilding the varsity.

The Cees, troubled by inexperience, faced a winless season. Coaches Jim Meadors and Thomas Mores expressed pleasure over the fact that this team numbered several freshmen.

CEE FOOTBALL—ROW 1: Jim Breneman, Frank Lung, Mike Palmer, Jerry Llanson, Tom Nelson, Frank Durante, Don Stroder, John Jones, Jim Cadman, Bob Hammond, Chuck Lonsdale. Although winless throughout the season, the Varsity Water Polo Team never lost heart. Many of the losses were very close. The Water Polo Squad showed the greatest improvement in the athletic system. Rated as a league power, the Olymps faced a situation where they met the top CIF teams in their own league. The opposition of Morningside, El Segundo, and Beverly Hills proved to be tyrants of the Bay-Pioneer League. Sonny Speed and Bob Peterson received Honorable Mention on the All-Bay Pioneer League Team. Other outstanding members of this year's team were Don Ramsey, Bob Vencik, and Dick Freeman.

A promising Bee Team collected two wins and five losses for their seasonal record. Outstanding participants of this year's Bee Squad included Ron Robles, and Al Pace.

Suffering a winless season, the Cee's felt some consolation by the outstanding play of Rickey Newman and Mike Peterson. With their gained experience, they hope to do better in the future.

Harriers Surpass Their Fondest Dream

CROSS COUNTRY. ROW 1: Calvin Sisco, Dick Cone, Bill Johnson, Jack Cameron, Eugene Blankenship, Dave Archibald, Bob Gilbert, Ron Wilson. ROW 2: Coach Ray Smith, Gary Weiner, Dave Baker, Jerry Jones, Jeff Davison, Mike Spitzer, George Watson, Lyman McConnell, Charles Dryer, John Warren, Allen Ross, John Hill, Richard Hansen.

Cross Country Coach, Ray Smith, undoubtedly must have seen his dreams come true, one November day, when his well-coached varsity fought from a predicted last place in Bay League to a well-deserved fourth in the Bay League Finals held at Centinela Park.

His dreams came in the form of "numbers" which he hoped his Harriers would reach at the conclusion of the gruelling mile and eighth-tenths race.

First Olympian to cross that coveted line was hard-running Eugene Blankenship, who hit a bristling 9 minutes and 18 seconds. Behind Blankenship came Jack Cameron, a classy runner who helped a great deal in furthering Coach Smith's dreams. Then followed Bill Johnson, Bob Gilbert, and Dave Archibald.

That match marked the conclusion of a season that saw the Olympians open with standard losses to Long Beach Millikan, Redondo, and CIF winner, Mira Costa.

The Harriers managed to build up enough spirit and enthusiasm for their encounter with the Hawthorne Cougars. When the dust was gone, Leuzinger had executed a well-earned victory. In the midst of the victory, speedy Blankenship rambled to a new school record for the course — 8 minutes and 48 seconds.

In the weeks that followed, the team continued their winning streak with victories over North Torrance, 22-34, Inglewood, 28-29, and Santa Monica, 21-34.

The exciting climax to a spectacular season came on that famous November afternoon when the Harriers sped to a thrilling fourth place finish in the Bay League Finals behind Mira Costa, Morningside, and Inglewood, yet ahead of Redondo, Santa Monica, Hawthorne, and North Torrance.

Olympians Turn In Successful Season

Leuzinger's Varsity Basketball team, this year, was a good example of work and determination. With the expansion of the Bay League this past year (to 8 teams), the Olympians fought to a tie for fourth place with Redondo, a team that Leuzinger defeated twice throughout the year. The overall league win-loss record was 7 wins and 7 losses; for the season, it was 12 wins and 12 losses.

Although they played inconsistent ball, at times, they looked like real threats to the league title as shown by their thrilling one point victory over eventual co-champions in the league, Mira Costa.

The highlight of the practice season was the winning of the consolation championship at the Pacific Shores Tournament in early December. The players, for their excellent showing, were presented with handsome traveling bags, a beautiful trophy for the school, and in addition, Steve Fruchey was named to the All-Tournament team.

The members of the team voted and selected their team mates for the following awards:

Captain—Jim Fraser
Most Valuable Player—Steve Fruchey
Most Inspirational Player—Jim Fraser
Most Improved Player—Mike Schrader

Every member of the team, this year, received a Varsity Letter. They were Jim Fauk, Jim Fraser, Steve Fruchey, Larry Glaser, John Hawley, George Newton, Ernie Pritchard, Stan Robertson, and Mike Schrader.

At the end of the year, several members of the team received honors from various organizations. Ernie Pritchard was singled out as First Team All-Bay League Guard and First Team All-Centinela Valley. Steve Fruchey received honors as Second Team All-Bay League and First Team All Centinela Valley, in addition to team honors. Mike Schrader was selected Second Team All-Centinela Valley, and Stan Robertson and Jim Fraser received Honorable Mention All-Centinela Valley. The well-deserved honor awarded to the tremendous coach of these boys, Carroll Adams, was that of Coach of the Year, by the Centinela Valley Selectors.

Junior Varsity Basketball

The 1960 version of Leuzinger's Junior Varsity Basketball team was the most successful in school history. They won more games than any other Junior Varsity team.

Coach Sid Weiss led his boys through the year with 7 wins and 12 losses.

The leading scorer this year was Dick Jones, with Forrest Hannon, Gary Lee, Jerry Snavely, Ron Schnieder, Jerry Rhodes, and Ron Jordon, all scoring within thirty points of him.

Forrest Hannon was voted team captain, and Gerry Rhodes was voted most valuable player for the year 1960.

Mike Schrader, most improved player on the Varsity Squad, is about to shoot a free throw against Hawthorne.

The Bee Basketball team, this year, put in a very fine season. Although the boys were shorter in height than most of their opponents, this didn't stop their determination to win games.

Ron Manuel, the top scorer on the team, turned in an outstanding season, averaging close to twenty points a game.

The Olympians, under the direction of Coach Lester, finished fifth in the strong Bay League this year. They won six and lost eight in league play, but they had an overall record of twelve wins and twelve losses.

Cee Team—ROW ONE: Reggie Hannon, Bill Adams, Ray Creal, Ron Patterson. ROW TWO: John Jones, Bob Adams, Chuck Clark, Tom Meyer, Jim McCarty.

The C's, under the reins of Coach Jim Meadors, were one of the youngest Cee teams in Leuzinger history.

As the season progressed, the boys improved one hundred per cent over their showings at the beginning of the season.

The high point of the season was the stunning 57-41 victory over Morningside. This was one of the highest scoring Cee games in school history.

The boys of this year's team should move right up to the Bee team next year, and continue to improve with leaps and bounds.

Sisco, Knauss Lead Wrestlers To Fourth

Calvin Sisco—El Camino Tournament and Bay League Champion Calvin Sisco gazes on plaque he received at Camino. Sisco is a Senior.

Taking fourth place in Bay League competition, the Leuzinger Wrestling Team qualified two wrestlers to the CIF Finals at Redondo.

Leading the way was Bay League Winner Calvin Sisco, followed by Larry Knauss, runner-up in the league finals. Knauss wound up in third spot at the CIF Finals.

Winning a share of their matches, the varsity posted wins over Hawthorne, 55-5, Santa Monica, 27-19, and Inglewood, 29-16, while losing to Mira Costa, the eventual Bay League and CIF Champions, 31-21.

At the El Camino Wrestling Tournament, Sisco topped the local winners by nabbing honors in the 123 pound division, while Knauss took third, and Don Smith and Ventura Felix captured fourths.

In the Bay League Finals, Sisco again led the way with a First, followed by Knauss with a Second, Jerry Smith and Felix in Third Places, with Brian Mitsunaga, Frank Artega, Don Smith, and Bill Bumstead taking Fourths.

Calvin Sisco, one in a long line of famous Sisco wrestlers, followed the tradition set by his Leuzinger graduated brothers by nabbing First in Bay League and El Camino Competitions.

Wrestling in the 123 pound weight class, he attributes his success in competition to a newly learned "take down." Calvin, a Senior, plans to further his education at El Camino.

Larry Knauss, troubled by a Mira Costa opponent, finished Second in League, yet wrestled to a Third in CIF.

In 1959, Knauss set an unusual standard by taking Second in the CIF Finals, but he found competition stronger this season.

Rifle Team

Overcoming the handicap of inexperienced sharpshooters, Leuzinger's Rifle Team compiled a successful team record, and was always a constant Bay League threat.

Mr. Thomas Newby and Mr. Orval Breckheimer instructed the team. The team had quite a unique shooting range. It was located under the main building on the south wing.

The team boasted many sophomores and juniors. It should be a Bay League contender next year. A little feminine touch was added to the team, this year, in the names of Dee Lombardi and Rosalind Russell.

Olympian Netters

Three wins and one loss! This was the Bay League record held by Leuzinger's Tennis Team at press time. Mr. Irving Byrne coached the team.

Chuck Lonsdale, a junior, earned the enviable title of "number one man," early in the season. Dave McLeroy, Calvin Sisco, Chuck Severson, Kelly Green, Ron Wilson, Tom Skinner, and Bob Adams were constantly challenging Chuck for this rating.

By mid-season, it appeared that the team stood a good chance of capturing third place in the tight Bay League race. As the team consisted largely of sophomores and juniors, the outlook for next year is promising.

Tumbling Team

Although our tumbling team didn't have many meets, they were very active, and it looks like an up-and-coming sport around Leuzinger.

Mr. Leonard Wolfe, tumbling instructor, prepared an active schedule for the nine boys on the team. They practiced during the entire school year. The team attended three junior college meets at El Camino Junior College, as spectators. During February, the boys attended a gymnastics clinic held in Pomona.

On April 20, a meet between Leuzinger and North Hi was scheduled. Scores were not available at press time. North Hi is the only school besides Leuzinger that has a team in this area.

Swimmers Set Records

The 1960 version of varsity swimming brought Leuzinger one of its finest teams in recent years.

Tom Case, the Olympian butterfly specialist, lowered the 100 yard and the 50 yard free style standards. His marks of 57.9 seconds in the 100 and 24.5 seconds in the 50 were among the outstanding times in California.

The Olymps showed exceptional early season improvement by qualifying two teams to the CIF Relays. Records that were set this year include the breast stroke in the time of 1 minute 26.1 seconds by Tom Brannen (Bee), and the medley relay in the time of 2 minutes 14.0 seconds by the combination of Ron Robles, Dennis Judson, John Baldi, and Ernie Case (Cee).

Top man on the Olympic Squad was CIF qualifier, Tom Case, who returned this year after finishing sixth in the CIF Finals last year.

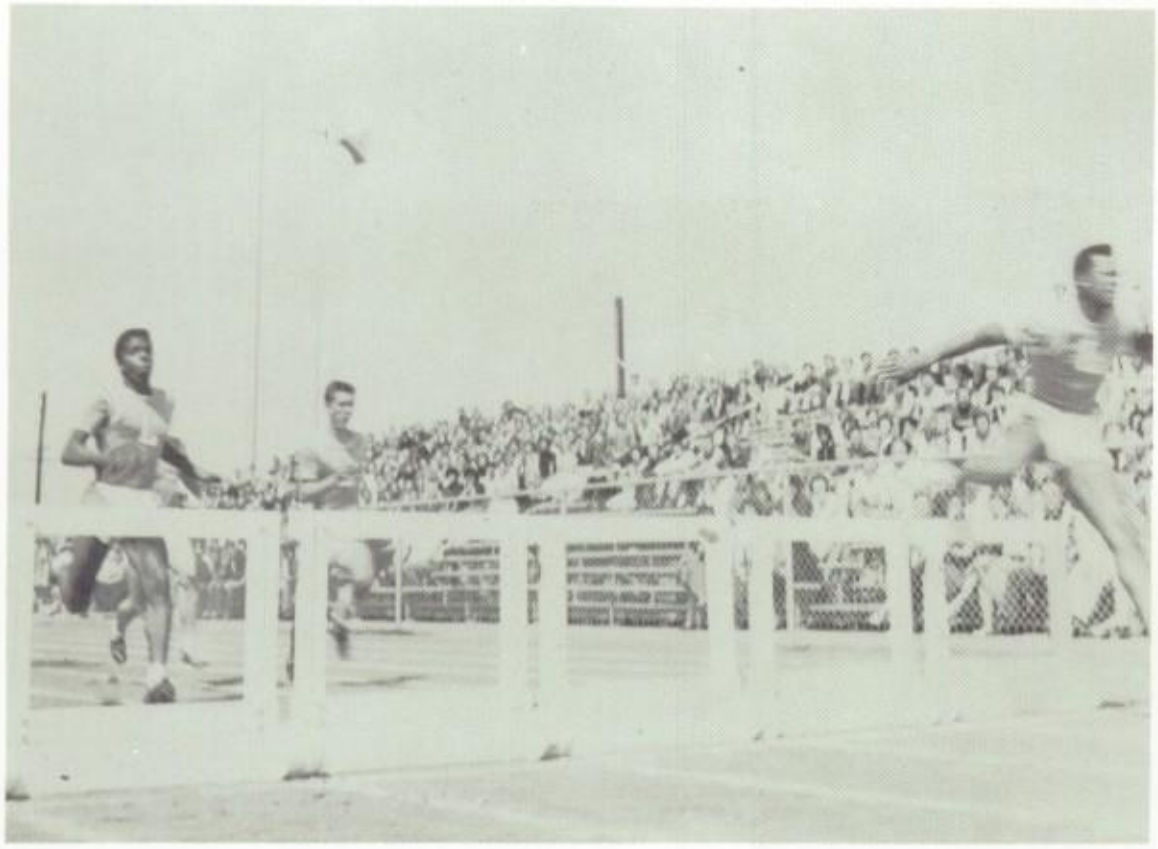
Leuzinger's Greatest



During an April pep assembly, Leuzinger's hurdlers dazzled an attentive audience with their speedy antics.

Going somewhere, Larry?

It won't be long now, Gene.

Administrators labeled the 1960 track team as the greatest in Leuzinger history. They labeled the athletes as among the greatest assembled in the history of the school.

James Valmore, after running the fastest low hurdles time in the nation, was proclaimed the "outstanding athlete in Southern California" by the Los Angeles TIMES. Valmore was rated above the most honored football player in California, Kenny Graham, and above the nation's fastest sprinter, Hubie Watson of Los Angeles Jordan.

Valmore, as great as he was, had a competitor that could almost equal his talents. Dave Archibald, a junior, recorded many of the top times in the Bay district. Dave, whose versatility was his outstanding feature, ran equally well in the 100 or the mile.

Dave reached the top mark around when he ran the furlong in the fast time of 21.5. Archibald also accomplished great times in the 440, 50.6, and the 880, 2:02.4.

Another exceptional athlete was Eugene Blankenship, the miler and co-captain. Gene raced to a fast time of 4:35.7 at the beginning of the season.

The key factor in Leuzinger's success this year was its depth. As an example, the Olympians boasted four high jumpers over the 6-foot barrier. Stan Robertson, Fred Smith, Bob Lovejoy, and Glen Whitacre were the outstanding jumpers.

The hurdles was another heralded event. Led by James Valmore, the team of Mike Mullaly, Whitacre, and Leroy McLeroy reached record heights in their assault on meet opponents.

Roger Riley, shot putter, was one in a long line of record breakers, this year. Roger put the shot 52-7 for a new school record in his event.

Track Team

Coach Ray Smith, whose talents in the field of athletics far exceed that of his runners, received credit for assembling the greatest team in Leuzinger history.

Coming from the teaching rooms of Will Rogers Intermediate, Coach Smith ran his team to a Bee League Championship in 1959 and was rated for top spot in the varsity division this year.

His success as a track coach was the fact that he could shift his athletes to correspond with the strength of their competitors. Against Santa Monica, he placed each man in the position that best fitted the capabilities of the Vikings.

In the Mira Costa Relays, he teamed the right combinations to pull a winner. His varsity edged Santa Monica by two points, 26-24.

Coach Smith was rewarded for his achievement after the voluntary retirement of Head Coach Jim Chadwick was announced. The instructor was elevated to the position of Head Coach Smith.

Also accepting credit for the track accomplishments was the assistant, Coach Bob Isaacson.

Hurdler Glen Whitacre leaps obstacle in running to victory over Inglewood opponents.

Undefeated at Pylon deadline, Leuzinger's 1960 track team was in the midst of setting unbelievable records. As a team, the Olymps were unbeatable; as individuals, they were among the finest in Southern California.

The only blemish on the record, although not a disgraceful one, was the fact that they finished behind Santa Monica in the field events at the Inglewood Relays, after edging the Vikings in the Mira Costa Relays and downing Samo in a dual meet, 57-47.

Leuzinger's closest meet was against Mira Costa in the season inaugural at Micohi. Edging the Mustangs, 53-51, Leuzinger performed with a number of basketball players that were scheduled for a game with Hawthorne that same evening.

Highlight of the season was the fact that Leuzinger beat Inglewood for the first time in 28 years, 64-40, and tripped previously untouchable Santa Monica. They were able to take Top Honors in the Mira Costa Relays and the Inglewood Intermural Relays.

Bee Track—ROW ONE: Terry Goldston, Vic Mitsunaga, Bill Siefers, John Butler, Bill Land, John Hill, Keith Brower. ROW TWO: Bill Bumstead, Ran Manuel, Larry Stickney, West Riser, Larry Soderburg, Gary Miller, Richard Ortiz, Bill Engle. ROW THREE: Jim Cadman, Bill Goodman, Allan Ross, Chuck Ashley, Richard Jeziorski.

The Bees, hampered by the fact that Track Coach Ray Smith was busy building the strong Varsity and Bee Squads, were able to notch only three victories at the final deadline of Pylon. Their outstanding win came against North Torrance, enabling Leuzinger to record a clean sweep that afternoon. Against Inglewood, the trackmen slipped to a 48-47 victory, with a clean sweep in the high jump providing the final margin.

Outstanding performers included Terry Goldston, Leroy McLeroy, Vic Mitsunaga, and others whose abilities led them to permanent spots on the squad.

Bee And Cee Cindermen

Cee Track—ROW ONE: Alfred Patterson, Dick Hansen, Rudy Anderson, Wayne Uno, John Riley. ROW TWO: Don Stroder, Ken Murphy, Gary Ryne, Ron Devish, Ron Gabhart, Harris Stoner.

The Cees, boasted the fact that they were going to equal the Varsity's performance in the Bay League Finals.

Although they enjoyed only three seasonal victories, they could always point to the fact that many of their runners participated on the Varsity Squad. Richard Cochran, Bill Johnson, Bob Gilbert, Rudy Anderson, all with Cee exponents, ran in higher classifications.

The Cees felt that with any sort of field event showing, they could capture Cee Bay League Title.

Victories for the Cees included a three-way win over Hawthorne and Culver City in a tri-meet, and strong victories over North Torrance and Redondo.

In the March 31 issue of the Los Angeles TIMES, sensational James Valmore was honored as the "most outstanding athlete in Southern California," rating him above such athletes as Hubie Watson of Los Angeles Jordon and Kenny Graham of Santa Monica.

Jack Hefley, TIMES Prep Sports Editor, said that Valmore's "outstanding ability in football and track rates him as one of the top college prospects around."

The TIMES also noted that Valmore's 18.8 in the low hurdles distinguished him as the Nation's Best Prep Hurdler.

Varsity Baseball

This year's Varsity Baseball Team was lead by Coach Edgar Brandt. Despite the fact that there were only two returning lettermen on the squad, the Olympians were a determined, hard-fighting team.

With three pitchers, Joe Adams, Ernie Pritchard, Fred Stevenson, and one outfielder, John Hawley, returning from the 1959 squad, Coach Brandt depended on these boys for outstanding performances.

At the start of practice in February, there were approximately sixty boys out for baseball. By the twenty-fifth of that month, Coach Brandt had the two baseball teams ready for their first games.

The new baseball field built for the teams was in excellent shape by the time of the first home game. This field will eventually be one of the best in the Bay League.

The El Camino-Aviation Baseball Tournament was the start of Leuzinger's rapid improvement. Losing the first game to Torrance, they proceeded to beat Beverly Hills, behind Ernie Pritchard's outstanding no-hit, no run game; they then lost a real thriller to Aviation in the semi-finals of the consolation bracket.

The first league game was played at Redondo with Fred Stevenson pitching an excellent game, but it was lost because of one weak inning. Two days later, at Mira Costa, the Olympians went up against the league favorites, but lost after a well-played game.

Making its home debut against defending C.I.F. Champion Morningside, L.H.S. played its finest game of the year in registering a convincing victory. Later in the same week, Samohi visited the Leuzinger Campus with all the confidence in the world, but it went away with the scare of its life after finally winning in eight innings.

Junior Varsity Baseball

This year's Junior Varsity Baseball team was led by Coach Carroll Adams. Coach Adams' miraculous drive developed these boys into a closely knit winning unit.

Led in the field by Team Captain, Bruce Gibson, the J. V.'s put in many exciting victories with the highlight being the 4-1 victory over Redondo; in this game, Ron Secory twirled a one-hit game. Secory also threw a two-hitter against Culver City in the opening game of the year.

This year's Varsity Team was made up of Steve Hallberg, Dan Titus, Steve Strom, Butch Waggoner, Hugh Whiles, Quentin La Grande, Dennis Hoffhine, and Jim Fauk, when he could get away from baseball practice.

The individual leaders of the team were Dan Titus, Steve Hallberg, and Steve Strom, as these three boys were consistently playing par golf.

As the Pylon went to press, the defending champions were undefeated in league play, winning six straight matches, but had the second round of the league yet to play.

As a team, the boys always came through when they needed to cut down on their strokes. Only two teams came within ten strokes of the Olympians in the first round; those were Inglewood and Morningside.

The following are the scores of the first six matches. In golf, the low score wins.

Charlotte Buettner, First Semester President.

Sharon Simundson, Second Semester President.

To become a member of "L" Club, you must participate in Girls' Athletic Association for at least three semesters. During this time, you must earn six white stars and one gold star. A white star is earned through the participation in G.A.A. with a maximum of two absences, while the gold star represents outstanding achievement in one or more sports.

"L" Club members are given the honor of wearing all white gym shorts with an "L" embroidered on the left side and name inside the L.

On November 18, 1959, "L" Club sponsored an Alumnae Night" for all past "L" Club members. They spent the evening playing volleyball.

The Leuzinger Girls' Athletic Association is composed of freshmen, sophomores, juniors, and seniors. The girls participate in a number of individual sports in which they are particularly interested. Active members in G.A.A. try very hard to win a gold star which will qualify them for "L" Club.

The First Semester Cabinet sopnsored the G.A.A. Bay League Council Meeting on October 15, 1959. The purpose of this meeting was to discuss plans for the Annual Play Days in which the seven Bay League Schools compete. The following schools are: Leuzinger, Lennox, Inglewood, Morningside, Mira Costa, Redondo, and Santa Monica.

Leuzinger G.A.A. was hosted by Inglewood High School for the 1959 Volleyball Play Day.

Row Two: Diane Borkowski, Gail Fisher, Linda Panula.

The freshmen girls show great enthusiasm for the game of volleyball. They have displayed outstanding ability and excellent sportsmanship during the entire season. They have improved their skills by regularly attending the G.A.A. meetings twice a week for the past year.

The twenty-five freshmen girls who took part in the Volleyball Tournament exhibited their competence by achieving third place victory over the sophomores.

At the G.A.A. Volleyball Banquet, the freshmen girls were not able to capture any gold stars, but everyone who participated received a white star and a G.A.A. shield. This made the girls very happy because it was the first time they had ever had the pleasure of being honored as members of the Leuzinger G.A.A.

Sophomores

The Sophomore Class was unlucky this year during the annual Volleyball Tournament. Even though they placed last, the girls displayed both great spirit and good sportsmanship in every game they played. Thirty-five sophomore girls participated in this tournament.

At the G.A.A. Banquet, two girls on the Sophomore volleyball team won gold stars for their outstanding play. These girls were Belinda Kuegman and Marilyn Ripley. Belinda and Roberta McGee each received a Minor "L", enabling both of them to join "L" Club.

Juniors

Volleyball Tournament

The Juniors played a tremendous game in the Volleyball Tournament this year. They edged out the Seniors by a narrow margin to capture first place. This is the first time they have had the honor since their freshmen year.

Throughout the past two and one-half years, the Juniors have practiced for many hours to improve their skills.

At the annual G.A.A. Banquet held on January 13, 1960, three girls on the Junior volleyball team won gold stars. They are: Diane Clark, Carolyn Charles, and Sandy Henderson. This gave Diane and Sandy a Varsity "L" and enabled Carolyn to join "L" Club. The Juniors took first prize in the entertainment field and again narrowed out the Seniors for the table decorations.

Row One: Joanne Krohne, Sharon Simundson, Betsy Lewis, Mary Binder, Vicky Luboff, Margaret Ragan. Row Two: Bonnie Blackorby, Rossi Baker, Maria Zavala, Ortensia Trujillo, Ampharita Zavala.

Seniors

The Senior girls have exhibited tremendous skills and outstanding sportsmanship throughout the entire season.

With eleven senior girls participating in the Volleyball Tournament, only one girl received a gold star at the G.A.A. Fall Banquet. This great athlete was Andrea Fitzmaurice.

At the banquet, the Seniors won second place for the table decorations. The girls who made this possible were Judy Zinn, Jean Neilan, Beverly Satow, and Kristy Hickman.

A Minor "L" and a Varsity "L" were awarded to Sandy Hansen. This enabled Sandy to be initiated into "L" Club.

The very highest honors were bestowed on Edna Krohne and Jo Donna Hahn. Each of them received an Honorary "L". This is what every girl in G.A.A. dreams of. Congratulations, girls!

Freshman First Team—ROW ONE: Karen Martin, Deanna Bradenberg, Donna Kistner, Kay Kaufman. ROW TWO: Margie Bradley, Diane Barkowski, Elaine Anderson, Liz Leader.

The Freshmen had a large turnout for basketball on Tuesdays and Thursdays, after school. Although they did not do too well in the Basketball Tournament, they succeeded in winning a game on Play Day. They played North Torrance and Mira Costa Freshmen, winning the former game.

The Sophomores placed third in the class playoffs. Under the supervision of Miss Nancy Bayman, the girls developed skill in new plays that should strengthen their team next year. The Sophomore First Team that attended the Santa Monica Play Day assisted in bringing home a Second Place Rating for Lulu Tech.

The Juniors edged out the Seniors by one point to win the Annual Basketball Tournament. They did not lose a single game throughout the season. At the Play Day held at Santa Monica on Saint Patrick's Day, the Juniors competed against Inglewood Juniors and Morningside Seniors and were victorious in both games. The Tournament Champs who participated in the Play Day Activities were Mary Binder, Sharon Simundson, Vicky Luboff, Cathy Swoboda, Carolyn Charles, Diane Clark, Susan Tipton, and Helen Smith.

The Seniors placed second in the Annual Basketball Tournament, although they had only enough players for one team. They lost only one game during the entire season, that being to the Juniors, who won by only one point. The Seniors who participated in the Play Day Activities were Jo Donna Hahn, Charlotte Buettner, Marilyn Zarwell, Lucy Eaton, Sandy George, Benny Olafsdottir, Donna Francisco, and Andrea Fitzmaurice. They competed with Hawthorne and North Torrance, winning against the latter. Though the spirit of competition was extremely keen, the spirit of co-operation was equally so. All of the representative teams had opportunities for exchanging ideas, renewing acquaintances, and establishing new friendships.

Freshman Little Leaguers

At the beginning of each quarter, a new sport was played by GAA. At the opening of the fourth quarter, many Olympian girls signed up to participate in softball. Although this sport was somewhat new to the Freshman and Sophomore Classes, the teams did very well under the coaching of Miss Marian Kruszka. All of the girls tried very hard to improve their skills in batting and fielding. As the season passed, the girls became more experienced in playing "heads up baseball," softball for the girls. Each team attempted to win the most games in order to participate in Spring Play Day.

Lulu Tech's Ball Diamonds

This year, the Juniors and Seniors met after school on Tuesdays and Thursdays to play softball. Quite a few girls went out to participate in this sport after waiting anxiously all year long for the softball season to start.

Each class competed against all of the other classes, and each girl did her best to help her team win the Annual Softball Tournament.

Only one first team from each class was selected to journey to other schools in this area for the G.A.A. Play Day. In order to choose this team, the girls competed in play-offs that were held in their own individual classes.

The tardy bell has been changed to 7:30 A. M. for many Olympians this year. This group of early risers are students that are enrolled in the Experimental Physics Class, and is better known as the "Dawn Patrol".

Mr. George Saunders instructs this eager group that arrives early to supplement their scientific knowledge of regular class work with additional experiments in physics. All pupils who are enrolled in this class must also be enrolled in a regular physics class. They perform many more experiments than those conducted to the regular classes, although the nature of the work is geared in somewhat similar lines.

This is the first year that this class has been conducted at Leuzinger High School after having been talked about for several years. The students are expected to maintain excellent attendance, as they receive full credit for their work.

Without a doubt, one of the busiest places on campus after school is the print shop. Print shop instructor, Mr. Evan Akins, and his two assistants, Phil Dooley and Frank Ellis, work every night on various school jobs.

Their biggest job is printing the school paper, the **Olympian.** The **Olympian** Staff gets all copy to the print shop by Tuesday, and they must have the paper ready by Friday. The print shop also prints cards, tickets, programs, and the Student Handbook.

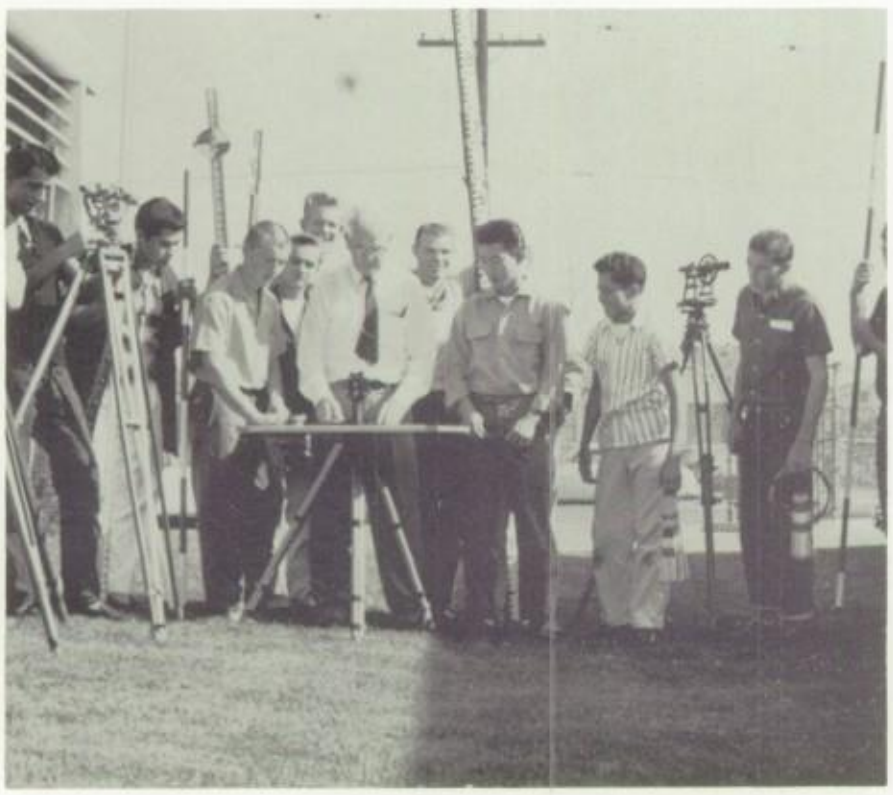
Frank and Phil are paid by the hour for their work. Besides gaining valuable experience from this job, Mr. Akins can usually place them in a job after graduation.

Students of Mr. George Thompson's Drafting II class have found out that drafting is no class for loafers. Students in these classes receive twenty weeks of varied activities including a little outdoor work.

This class, without a doubt, has a more varied course of study than any other class at Leuzinger. A short review of Drafting I is the first thing that Drafting II students encounter. Next, they learn to use the drafting machine. Then they practice on simple drawings of gears and cams. Subsequently, they receive an elementary course in descriptive geometry which is followed by a course in technical drawing.

A part of the course that is looked forward to by most of the boys is the surveying course. Each boy receives a chance to use a level and a transit.

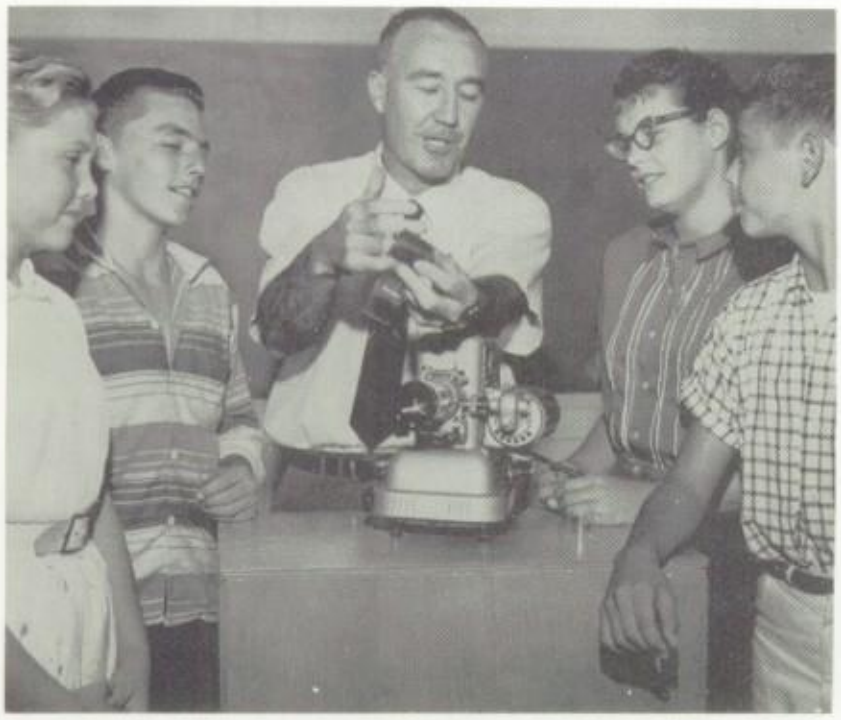
At the end of the year, each boy is required to design a swivel vise. He is required to turn in a detailed working drawing and a technical illustration.



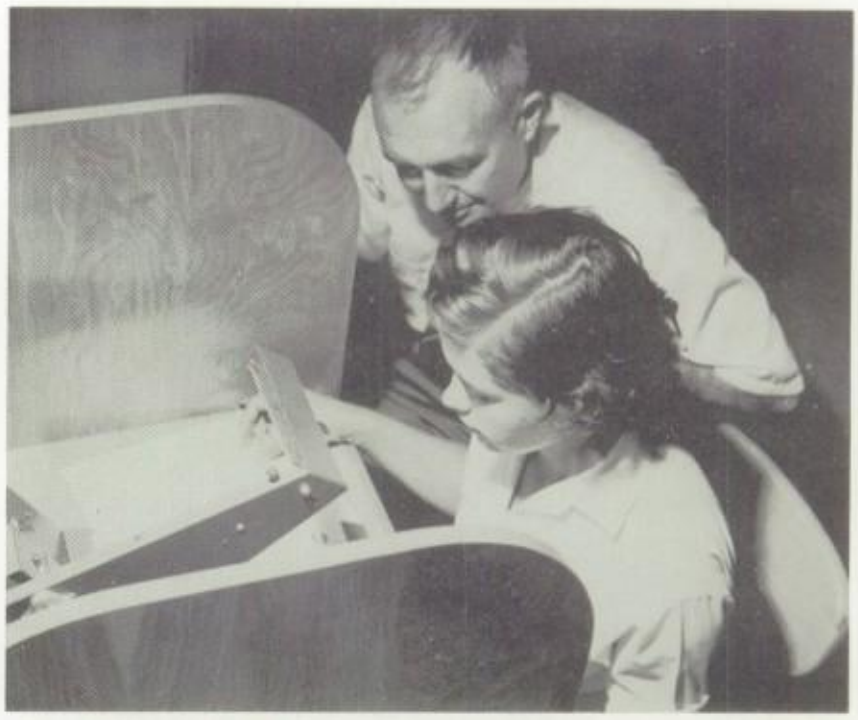
Members of Mr. George Thompson's Drafting II class get a little fresh air, as they carefully watch Mr. Thompson calculating the position of some nearby object.

Indoors, the boys work on diagrams and blue print layouts.

Reading Clinic



Sylvia Davenport and Nick Sherbo, left, and Diane Tallman and Charles Fusco gather around Mr. Clyde Verhine at the controlled reader.



Mr. Verhine instructs Kaye Kaufman at the reading booth.

Concentrating on general skills which help students in all school subjects, the four high schools in the Centinela Valley Union High School District this semester are beginning a ninth grade reading improvement program.

Superintendent Jefferson L. Garner has announced that all freshmen students will receive a concentrated six-weeks' study in a special equipped reading laboratory to increase reading speed, to increase ability to retain information read, and to increase comprehension and vocabulary.

Mrs. Sally Berkey, one of the reading coordinators for the high school district, will work with Leuzinger and Lawndale High Schools. Mr. Clyde Verhine is the reading specialist assigned to Leuzinger's Reading Laboratory.

Thirty freshmen at a time work in the laboratory, which has individual reading booths outfitted with reading accelerators and tape recorders to detect errors in pronunciation of the students' oral reading.

The reading rate of the average high school pupil is approximately 250 words per minute. The goal set at Leuzinger is to increase the student's ability, so that he can read 400 words per minute or better.

Reading material in the Leuzinger labs is gauged to the student's present ability, and as he progresses in speed and comprehension, he is given more difficult material. For the fast readers, there is a vast array of college material. One of the most impressive elements in the reading program is the wide scope of information included in the readings.

During the six-weeks' concentrated reading program, the student is urged to increase his out-of-school reading. Each student keeps his own progress records with graphs and charts. As his interest and skill in reading increases, his achievement in other school subjects improves.

"The reading and study skills program was begun this September after a year's preparation and planning," says Superintendent Garner. "It is intended to be a continuing program, beginning with the ninth grade student and expanding eventually to the other grades. The laboratories are modeled, in part, after other successful school labs. The local set-up is the most complete and thoroughly equipped in the state, according to the local officials. It will serve as a model for university classes of school administrators."

Driver Training and Education

Driver Education classes took on some new color this year, as they were changed from a ten weeks' course in Sophomore English to an interesting six weeks' lab course. The classes are instructed by Mr. Martin Jack and Mr. Royal Rounds. Mr. Jack is treasurer of the California Driver Education Association, and he is also Director of the Southwest Region of American Driver and Safety Education Association.

The driver education class is equipped with many devices that give the instructors valuable information concerning the students. One of these machines is so cleverly constructed that you drive it much like a car. It has a brake, gas pedal, clutch, steering wheel, shifting gear, horn, emergency brake, and rear view mirror. The class is also equipped with sight-perception and color-blindness boxes.

As soon as scheduling permits, the students move into the driver training class. This is the actual driving part of the entire course. The students drive one of three cars with which the class is equipped. These cars are dual-controlled to insure safety. Driver training classes are instructed by Mr. Jack, Mr. Rounds, and Mr. Brandt.

Junior Achievement began early in the 1920's, but it was not until 1942 that the National Headquarters were set up, and an expansion program was mapped out. Today, Junior Achievement Centers are to be found in thirty-two states from coast to coast.

Junior Achievement's purposes are: to help boys and girls to develop into more skillful and industrious men and women, to present a clear vision of the various branches of industry and commerce, and to promote interests and activities that make toward happier and more wholesome home surroundings and better preparation for life's work.

Junior Achievement was organized in Hawthorne because a group of business and civic leaders desired to afford its advantages to the youth of this community. They pledged the time and money necessary to organize and operate a Junior Achievement Center.

Each Junior Achievement Company has its officers, sells its stock, manufactures and sells its products, and pays dividends. Junior Achievement also offers competition on a national scope to encourage its companies to always do their best. There are approximately fifty-seven students from Leuzinger High School participating in the activity this year.

All of these students look forward to the opportunity of winning one of the many scholarships or awards. The awards are the "Achiever's Award", the "Advanced Achievers Award", the "Junior Executive Award", and the highest award which is the "Executive Award".

This is one of the many decorative themes that Miss Deppman's homemaking classes arrange. Beauty, good taste, and economy are emphasized.

Projects in Miss Deppman's Homemaking classes are as numerous as the seasons and holidays that occur throughout the school year.

The girls in these classes are divided into different groups, and each girl works on one special part of a project. These projects usually take seven days to two weeks to complete. The homemaking classes usually undertake four or five of these projects each school year. These are an important part of the course.

During the first semester, the girls sew garments of their choice. If they succeed in doing good work on these, they are privileged to model the garments at a Special Assembly for all girls sponsored by Girls' League.

During the second semester, the girls are taught planning and preparation of meals. Sometimes, they prepare teas and luncheons for Faculty and other guests. At the end of the year, each class arranges a luncheon for its members.

Beauty And Wisdom

NEW FOREIGN LANGUAGE LAB

A foreign language reading laboratory which will add much color, increase speaking ability, and is hoped to increase enthusiasm in this field will be a new addition to Leuzinger's foreign language program next year.

This lab which will benefit students taking all foreign languages and which will include German and Russian next year has room for thirty-six or more students to experiment at one time.

On designated days, the foreign language class will go to the laboratory. Each student will take his place at one of the booths which is equipped with a dual-track tape recorder, microphone, and headphones. The student will hear the master voice in the foreign language which he is studying. A pause will follow, allowing the student to respond to this stimulus into his microphone. In this manner both the master and the student's voices will be recorded on one track. On the playback, the student will hear and compare his own voice with that of the master. This process can be repeated until the instructor thinks the student's pronunciation is satisfactory.

"It should be just so," explains Miss Deppman while talking with Beverly Chacon.

There are many exercises which the student can try to help his pronunciation and translation of the foreign tongue. One of these is the "anticipation exercise". The taped voice makes a statement in the foreign language. The student then changes the statement in some manner. For example, the student might change it to the negative or place it in a different tense, or restate the phrase in a different manner in order to learn a specific grammar principle.

Another is the "listening exercise". The student may hear a story spoken at native speed, and then he may either write a summary of it or answer written or oral questions about it.

The "conversation exercise" is one of the most interesting. A taped voice carries on conversation with a student, employing greeting, asking questions about his daily life, and using vocabulary being currently studied by the student. Playback permits the student to hear how he sounds to others and allows the instructor an opportunity to make corrections, evaluate, and grade the work.

The "cultural type exercise" lends itself to teaching poetry, songs, and transcriptions of speeches from radio or television.

The master console which is operated by the teacher is an amazing machine. This machine enables the instructor to talk privately with a student, or if placed in a position, marked "all call", to talk to all of the students at one time. If there are vacant spaces in the laboratory, students from another class might be sent there either to make up work or to do advanced individual work.
